

Name: _____ Last Name: _____ Per. _____ Date: _____

1. Draw an organic shape. Cut the shape out.
2. Draw a line from one side of the shape to the other. Make sure your line has line quality.
3. Draw a geometric shape on one side of the line.
Use a pencil to add a range of value inside the geometric shape.
4. Rotate your cutout shape so the line in step 2 is vertical and the geometric shape from step 3 is on the right hand side.
5. Write the word TOP at the top of your shape.
6. Draw a set of three concentric circles on the left side of your shape.
7. Use only primary colors to fill in each circle.
8. Write your name anywhere on your project using a secondary color.
Emphasize the first letter of your last name.
9. Raise your hand to recieve your time. Write your time in the box above.
