

Storyboard instructions

Guide your viewer through the plot by visually creating small scenes. Include text below your scenes to explain the purpose/reason for what you are showing in the picture.

Plot idea

What type of movie is this?
examples -
On the road travel.
Time travel.
Unlikely hero.
Etc...

Who are your characters?

Character trait

What struggles will happen?

Which object/icon will you use to express the message?

What motivates the character?

Which object/icon will you use to express the message?

Where
When

Which object/icon will you use to express the message?

How will the character change?

Which object/icon will you use to express the message?

What is the conclusion or resolution to the plot?

Which object/icon will you use to express the message?
