

How to finish my Art piece

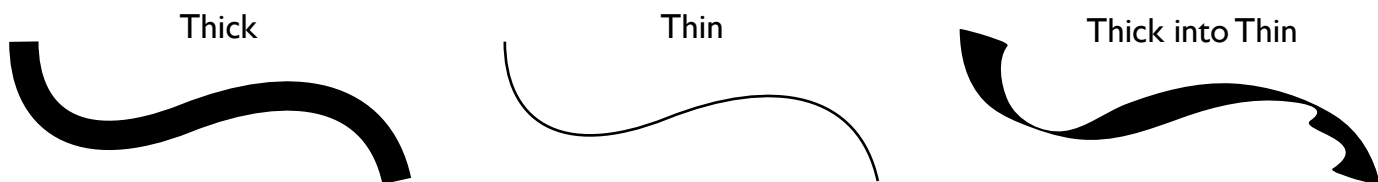

Color - Use soft layers of colored pencils to add color on top of color.
Use a color scheme, such as warm colors only (yellow, red, and orange);
cool colors only (green, blue, purple.)
Gradients= colors fading into other colors

Value - The lightness or darkness of a color or tone.

Line Quality -

Pattern - Repeated ideas over and over.
Good patterns have variation.
Variation is a small change in size, color, or rotation within the repeated idea.
