

Grid Drawing - Large Project

(A) - Select the image you are going to draw. There are some premade images that have already been grided off with a 1" grid.

(B) - On a 16" x 20" paper draw a 2" border.

(C) - Divide the space into 2" inch boxes. **Draw lightly so you can erase later.**

(D) - Label the row and columns with numbers and letters to help locate the exact box you are focusing on.

(E) - Begin **lightly drawing** the outline of the shapes.
