

## Abstractions Assignment - Likert Scale

1. When you first started abstracting (simplifying and rearranging) was it challenging to force yourself not to draw the images as you see it? (Circle your response)

It felt unnatural to simplify and rearrange.	I understood what to do, but I still struggled a little to simplify and rearrange.			I felt very comfortable with simplifying and rearranging right away.

2. Did the instructions to, "give yourself permission" and, "you are free to express yourself" influence your process?

The quotes did not change my process.				The quotes made me feel it was OK to be creative.

3. How did you feel about the use of a wide variety of different materials to create your solutions? Color pencils, watercolor, pencils, markers, oil pastel, crayons, etc.

I used the same material for most of my solutions.	I experiment with a few materials, but It did not help or hurt			The permission to use all the materials allowed me to feel more creative.

4. How do you feel about your success on the final 6 abstractions?

I finished, but all my solutions did not turn out exactly how I wanted.	Two or three of my abstractions were good.			I really like abstraction. All my solutions were what I wanted.
