Name_____ Per._____ Date_____

Grid Drawing - Is a transfer and scaling tool that artists have used since the 1500's.

Look at the negative space around the object to help you accurately draw each line.

Place a dot where the line enters a box. Also, place a dot where the line exits a box. Connect the dots.

Focus just on one box/frame at a time.

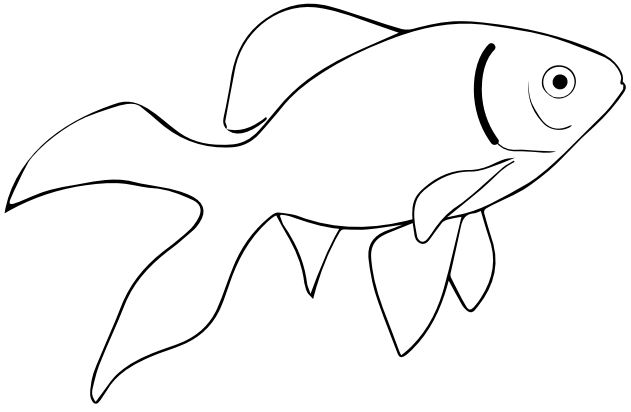
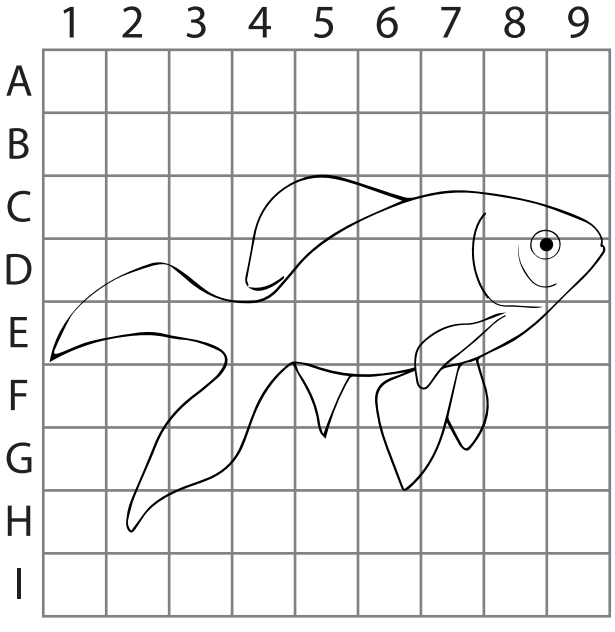
Tips: 1 Use negative space to help you See each box as just a shape. Negative space is the space around or between an object.

Tips: 2 Place a dot on the grid line to show you where the line enters and exits the box you are working on.





Grid Drawing - is used to transfer and scale line drawings so artists can paint on a canvas or a large wall.
