

Name: _____ Per: _____ Date: _____

Directions:

Step 1: Using a pencil, lightly sketching a 3 - 5 letter word using a graffiti font that you create or an example found online.

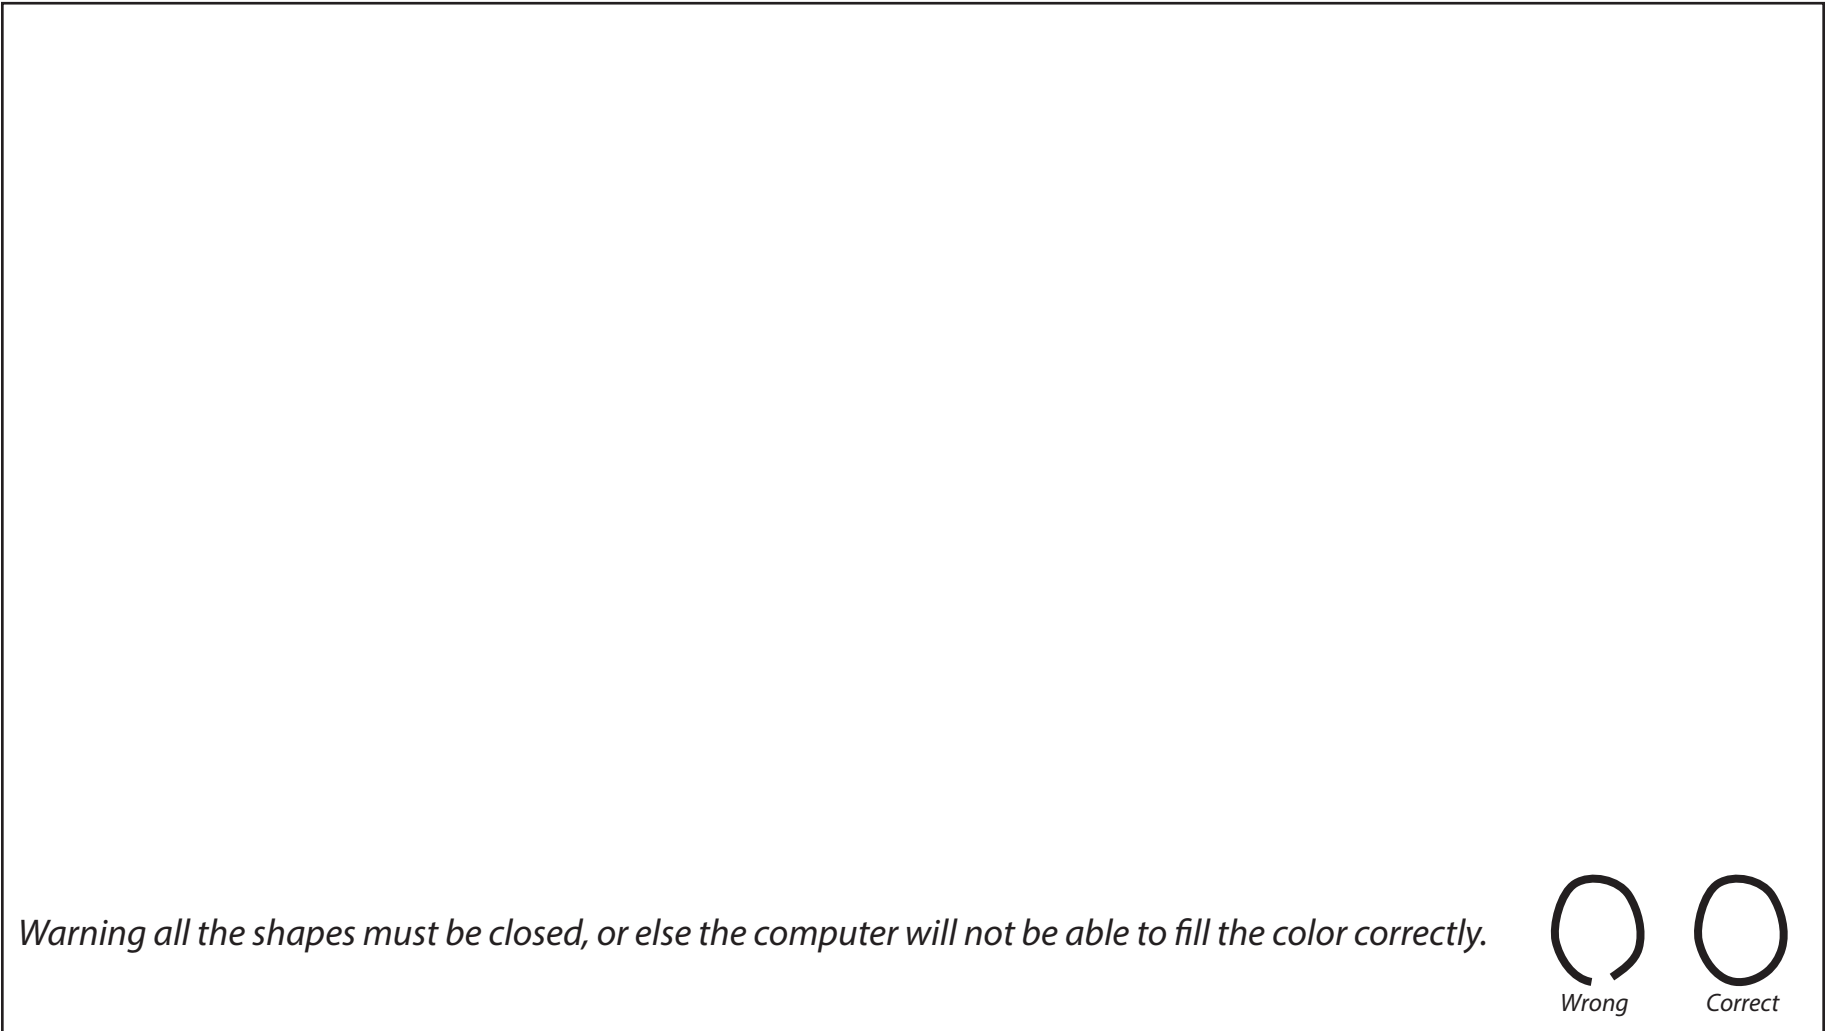

Step 2: Use a sharpie marker to darken in the lines.

- Add line quality, make thick and thin lines.
- DO NOT darken in the letters.
- You will need open spaces to add color in digitally.

Step 3: Ask the teacher to photograph or scan your image and email it to yourself.

Step 4: Follow the direction on our assignment page to complete the Live Tracing and coloring requirements for the project.

Graffiti - Live Trace Template

Warning all the shapes must be closed, or else the computer will not be able to fill the color correctly.
