

Mask With Emotion - Texture Rubbing Plate

Directions - Use one of the solutions that you created on your learning activity as inspiration to make a texture rubbing plate of a mask with emotion.

You will need...

- 8" x 10" cardboard
- Heavyweight paper
- Scissors and glue
- 5 Pieces of printer paper

Step 1. Cut a large shape for the background of the mask/head.

Step 2. Use shapes-on-shapes to create the eyes, nose, mouth, brow and other accessories.

Step 3. Make sure all the pieces are glued to the cardboard.

Step 4. Use a piece of printer paper to create a **minimum of 5 different texture rubbings of the design.**

Step 5. Staple all the papers together and turn them in, along with the cardboard plate.
